We are so grateful for your support and are thrilled you have decided to adopt! Please understand that submitting this application does not guarantee your adoption. We always choose the best home for the animal. All adoptions include spay/neuter surgery, initial vaccinations, microchip implant, heartworm test, flea and heartworm prevention and post-adoption free vet exam at local and participating vet clinics.

Adopting a pet is a big commitment and may at times require extra patience on the part of every member of the household. You may also incur unexpected expenses necessary to keep your new pet healthy. Make sure you are prepared to keep this pet as a valued family member for its lifetime, which CAN be up to 20+ years.

We are here to assist in your search and can answer any questions you may have. Thank you for choosing the Flagler Humane Society to find your next best friend.
