Furry Friend Food Bank

1 Shelter Drive, Palm Coast, FL 32137 • 386.445.1814

Program guidelines

We offer temporary food assistance to help families care for their pets during hardship. Please review these guidelines before completing your application.

Who the program can help

- Assistance is available for up to four animals per household.
- The program is for participants experiencing a temporary hardship.

How assistance works

- Benefits are available six times per participant.
- If you need more assistance after using all six benefits, you may reapply after a four-month break. Another home visit will be required.
- Please do not obtain any additional pets while receiving program benefits.

Home visits and pet care

- Animal Services may conduct a home check inside and outside your residence. If entry to the inside of the home is denied, you will be permanently removed from the program.
- All dogs and cats must have current rabies and distemper vaccinations.
- All pets must be spayed or neutered. If your pets are not sterilized, assistance will be offered.

Keeping your participation active

Please provide accurate information and follow all program guidelines. Providing false information or not following the guidelines will result in removal from the program.
